QUALIFICATIONS

Chad completed his Masters Degree in Architecture at Montana State University where he graduated with highest honors and, shortly thereafter, joined A&E Architects. His educational experience provides him a comprehensive skill set that he incorporates into multi-faceted design.

Chad is extremely talented in computer aided renderings and 3-D modeling. His extensive efforts utilizing Rhino, Photoshop, Sketch-up, Illustrator, Autocad, and Revit have allowed clients to better visualize our designs.

SELECT EXPERIENCE

NORTHERN HOTEL **BILLINGS, MT**

Team member and lead architectural artist on the renovation of the Historic Northern Hotel. Chad collaborated with the design team and owner to develop architectural renderings and, through this synergistic process, was able to create a series of images that exemplified the identity and vision the owners sought for the project.

MCCALL MULTI-USE BUILDING **BILLINGS, MT**

KALISPELL REGIONAL MEDICAL CENTER **KALISPELL, MT**

Team member and 3D artist on the this multi-million dollar masterplan. The masterplan included multiple parking garages, ICU relocation & expansion, and acute care floor additions and expansions. In a seamless collaboration with the masterplan team and Kalispell Regional Medical Center's Director of Design, Chad created a series of 4D animations that brought an intuitive look into the strategic phasing that would bring the project to fruition.

FLEMMING HOUSE **LAUREL, MT**

Project Designer of this 4,400 sf single family home. Developing a concept in concert with the client through a series of meetings, site analyses, and 3D model studies allowed Chad to explore every nuance of the project and carry that through to deliver the architectural solution the client desired.

WESTERN SECURITY BANK, 24TH AND GRAND **BILLINGS, MT**

ROSEBUD HEALTH CARE CENTER PHASE 1 **FORSYTH, MT**

Project Designer for a 10,000 sf addition to the Rosebud Healthcare campus.

NEW MOUNT CARMEL MONASTERY **MEETEETSE, WY**

VEEDER OFFICE REMODEL **BILLINGS, MT**
