Architect in Training

Employment

Aug. 2016 to Present

Architect-in-Training

Envi Design, Bozeman Montana

- Create architecture and interior design drawings for high-end residential and commercial projects
- Assist in the design process by creating preliminary designs and design iterations
- Communicate with architects, project managers and clients regarding design and cost changes
- Regularly meet with clients to present design progress and iterations
- Assist in small project management tasks such as design collaboration with sub-contractors and site visits
- Create drawings and 3D models using Autodesk Revit and Autodesk Autocad

May 2015 to May 2016

Architectural Intern

Locati Architects, Bozeman Montana

- Assisted in creating high-end residential homes for high-profile clients by producing drawings and 3D models
- Worked closely with lead project architects on producing design iterations, construction drawings and client presentations
- Worked in a cooperative team environment to meet strict deadlines
- Assisted the CFO in business management, permit filing and lot address acquisitions
- Assisted in on-site project management, creating as-built drawings for renovations and photographing construction progress on residential projects
- Was an active member of the Revit team and helped advance Revit office standards and procedures
- Completed over 1,000 hours of Intern Development Program credits

Sept. 2014 to May 2015

Graduate Teaching Assistant

School of Architecture, Montana State University

- Assisted in teaching Revit and SketchUp to 2nd and 3rd year architecture students
- Assisted in teaching hand graphics to 2nd and 3rd year architecture students
- Worked closely with the lead professors and other GTA's to help run a successful learning environment

Dec. 2013 to May 2015

Graphic Designer

ASMSU Recreational Sports and Fitness, Montana State U.

- Designed and managed large and diverse graphic and marketing projects
- Worked with a design team to develop weekly marketing and design content to promote classes and events
- Worked closely with professional staff to deliver quality graphics in a timely manner

Summers of 2012 - 2014

Backpacking Counselor

Christikon Backpacking Camp, McLeod Montana

- Organized and lead 5-day backpacking trips through the Absoroka-Beartooth Wilderness
- Mentored and lead groups of 8 - 12 high school students while on trail
- Safely lead groups through dangerous areas, and used decisive thinking to avoid potential risks
- Worked intimately with other guides and staff members to provide a high quality experience for all on-site and trail guests
