

II.4.5 ARE Pass Rates

The MSU School of Architecture ARE pass rates are available on our website under the Student section of the Download page located at <http://www.arch.montana.edu/pages/downloads/downloads.php>. The document is titled Architectural Registration Exam Pass Rates. The document lists the ARE pass rates for MSU graduates dating back to 2005 and compares the MSU graduates passing rate to the national passing rate for each division of the exam. As of the date of this writing, 2012 data on the pass rates for individual schools was not yet available. The data posted on our website will be updated as the information becomes available.
