

Listen to the People: Low Cost Housing from the Global South

4.10.2017

5:30 | Cheever Hall 215

Alfredo Brillembourg
Founding Partner, Swiss Federal
Institute of Technology, Zurich, Urban
– Think Tank

The presentation is part of the School of Architecture's Fall Lecture Series and is made possible through generous contributions by members of the School of Architecture's Advisory Council, gifts through the Montana State University Foundation and students of the School of Architecture. To request public accommodation or accommodation to participate in the above event, please contact Sharon Matney at 994-2921, or Susan Alt, Human Resources, 994-3344. Registered for one hour of AIA Continuing Education Units.
